Missed Appointment and Cancellations:

Our office charges a \$40/75 fee for missed appointments and late cancellations.

We give a COURTESY appointment reminder call 48 hours in advance, but we are NOT responsible for remembering your appointment, YOU ARE! Therefore if we have any technical difficulties we will still charge you as we just give COURTESY phone calls and you are ultimately responsible for your appointment.

For cancellations and reschedules, you must provide a 24-hour notice or you will be charged a missed appointment fee. This fee must be paid prior to your next visit.

If you arrive late to your appointment we reserve the right to reschedule your appointment and charge a missed appointment fee.

Authorization of Payment (ALL insurances)

I request that payment of Insurance benefits be made to OMMA for any services provided to me by that physician. I authorize any holder of medical information about me to release to the center for Medicare and Medicaid Services (CMS)/other insurance and its agents any information needed to determine these benefits of the benefits payable for related services. I understand my signature requests that payment be made and authorizes release of medical information to pay the claim. If "other health insurance" is indicated in item 9 of the CMS-1500 form, or elsewhere on other approved claim forms or electronically submitted claims, my signature authorizes releasing of the information to the insurer or agency shown. In Medicare assigned cases, the physician or supplier agrees to accept the charge determination of the Medicare carrier as the full charge, and the patient is responsible only for the deductible, coinsurance, and non-covered services. Coinsurance and the deductible are based upon the charge determination of the carrier.
